

HUSKIES VOLLEYBALL CLUB

Saint Mary's Huskies Volleyball is pleased to announce an affiliation with a new youth volleyball club out of Halifax. The **Huskies Volleyball Club** will begin its inaugural year this fall with a 15U girls program. We are looking for female athletes born in 1997 to participate in the 2012 club season. Huskies VC will strive to provide an elite volleyball experience with an emphasis on skill development and national-level competition. Our intention is to prepare club members for opportunities to play volleyball at the post-secondary level.

Club members will periodically work closely with athletes from the Saint Mary's University Varsity Volleyball Program. Varsity players will act as role models for younger club members and give them guidance as they pursue their goals. Club leaders will help develop players in all facets of competitive volleyball, while encouraging a fun, hard-working approach to learning the game.

If you are interested in being a part of this program, we are holding two selection sessions at the Tower at Saint Mary's University, 920 Tower Road, Halifax:

- Sunday, October 9, 5-7pm
- Sunday, October 30, 5-7pm

We encourage everyone interested in being considered for the team to attend both sessions. Players planning to attend should pre-register on the Saint Mary's Varsity Women's Volleyball website, at:

<http://www.smu.ca/athletics/volleyball-w-recruiting.html>

Use the recruiting form to submit information about yourself, and make sure you include all of your contact information. You can leave blank the fields under 'Club Information' and 'Academic Information'. Provide a few brief details of your volleyball experience in the comments section. Pre-registering is important to ensure we can contact you if any details of these sessions change.

We will discuss additional details such as club fees, equipment availability, and training and competition schedules with players and their parents after the selection process is completed. If you have questions, you can contact Mark Burley at 902-456-5691 or Mark.Burley@smu.ca.
