

Camp Introduction

Saint Mary's University Soccer is proud to bring its program to your community this summer. For the younger players we have our mini fun and skills camps and for the older players we are bringing you our more advanced Academy camp. We have put together a very talented group of coaches who are looking to help players improve their existing soccer skills. Our staff will also ensure that your child's soccer experience will be well organized, instructional and enjoyable.

The 2010 Summer Program

In all of our programs there will be 1 coach for every 12 players. Each participant will receive a camp t-shirt and certificate, as well as other prizes that will be offered throughout the week.

Minis Fun and Skills Camp (U6, U8 & U10, 4-10 yrs.)

With an emphasis on skill development in a fun-filled game environment, the minis camp has been designed to develop the techniques of our younger players. Each day will focus on a different skill, teaching that technique using a variety of games and fun drills. Each morning will feature an organized fun-filled activity, water/snack break and end with an organized game.

Cost \$90, 9 a.m. - 12 noon.

Junior Academy (U12 & U14, 11-14 yrs.)

The Junior Academy camp is being offered with the goal of giving young players a program that is more specific for their age group. Like the Minis camp, basic skills will continue to be developed, although in more depth and with particular focus on improving the technical aspect of a young player's game. Team-based concepts will also be introduced into the training sessions at this level.

Cost \$90, 1:00pm - 4:00pm

Academy (U16 & U18, 15-18yrs.)

For older players we have designed a program that focuses on technical development for individual players, as well the role they play as a part of a team. Coaches will look to challenge players in a number of game situation drills. The Academy will also include some theory sessions which will be used to further develop players' knowledge of the game. Players will receive coaching for individual and positional techniques, and come together for functional team practices. At the end of the week, there will be a tournament and skills competition.

Cost \$90, 1:00pm - 4:00pm

Camp Instructors

Members of the
Women's and Men's
Varsity Soccer Programs

Registration - Porter's Lake Soccer

August 9 - 13, 2010
